

# PartsCARE™ Service Program

Oil-Flooded, Rotary Screw Compressors

## Genuine OEM Parts for Routine Maintenance

PartsCARE™ entitles you to receive genuine OEM parts delivered at an agreed upon price, for your routine maintenance requirements. Oil analysis, diagnostics and repair service are available for when needed.

## We Won't Let You Forget

PartsCARE includes either automated shipments or reminders to ensure you have met your requirements to keep your compressor operating as efficiently as possible. Additionally, with a PartsCARE agreement, you never have to worry about making sure our extended coverage requirements are met.

## We Are Your Advocate

We are your partner to ensure equipment is in peak condition, not a vendor looking to assign blame when something goes wrong.

*"With PartsCARE, I can be assured the parts I receive are genuine, by the manufacturer of the equipment. And I can get help when I need it."*

## We Enable You

PartsCARE agreements can begin at any time during the life of the compressor. To enjoy 5 years of airend coverage, sign up for PartsCARE within 12 months of startup.

# 5 Years of Airend Coverage on New Oil-Flooded Rotary Screw Compressors with PartsCARE

# Genuine OEM Parts are Critical to Your Operation

## Lower Total Cost of Ownership

Generic parts suffer from inferior performance that will cost you more in the long run.

## Quality Products

Our ISO qualification and rigorous testing ensure our parts meet exacting engineering specifications.

## Engineering Standards with Revision Control

Our philosophy of continuous improvement means you benefit from our ongoing research and development.

## Extend Your Coverage

Use genuine Ingersoll Rand parts and enjoy four additional years of coverage on the aircend.

## Reduce Lead Time and Cost

When you enroll in the PartsCARE program, your parts inventory will be set up in advance to ensure you get the right part at the right time at the right price.

## Safety and Risk Management

We design our parts with safety in mind, eliminating any unnecessary risk you may be taking by using unknown generic lubricants and parts.

## Trained Experts

Our staff is backed by 145 years of compressed air experience and is available daily for help and advice.

## Your Requirements to Participate in PartsCARE:

1. Buy Ingersoll Rand parts according to the instruction manual.
2. Add oil analysis/inspection every 2,000 hours for compressors 50 hp and above.
3. Review and sign agreement for parts replenishment.

**RELIABILITY**  
FOR LIFE
